

Counseling Program
University of North Texas

APPLICATION FOR DOCTORAL ASSISTANTSHIP

The Counseling Program has a limited number of competitive, graduate assistantships available to full-time students who do not have other significant sources of support and who are not employed outside the university. Assistantships entail a variety of responsibilities including teaching assistant, research, and duties related to conducting work of the program, centers, and clinics. To be considered for an assistantship, complete this application and submit with your application for admission.

Application Statement:

Please attach a 1-2 page statement in which you address need, interests, specific experience, and strengths that qualify you for a doctoral assistantship.

Verifications:

I understand that the doctoral assistantship requires full-time(9 hours) enrollment.

I understand that the doctoral assistantship requires satisfactory progress towards degree.

I understand that although most doctoral assistantship positions are 9 month positions; my duties may flow into summer.

I do not have other significant sources of support/funding for my degree.

If selected for a 20 hour position, I will not maintain employment outside the program.
